

# Reasons for Regus

	BENEFITS	DETAILS	WHAT'S IN IT FOR YOU
NETWORK	<b>The World's Largest Global Network</b>	1100 prime locations across the globe, and 50 countries within Europe, Middle East and Africa.	Choice — multiple centers in hundreds of cities. Pricing — clients can choose the building and location that suit their budget.
	<b>Exclusive Access to Purchasing Group</b>	Regus negotiates on behalf of its clients and offers exclusive access to discount programs.	Clients save up to 35% on everyday business services and products.
	<b>Regus Business Exchange</b>	Only Regus allows clients to transfer to any of its locations at any time.	Risk reduction — clients can sign for longer terms, knowing they are not tied to one location.
	businessworld	FREE membership for each employee offers exclusive access to business lounges across the globe.	Clients remain productive whether at home, across town, or on the road — giving them a competitive edge.
VALUE ADDS	<b>Flexibility in Pricing and Products</b>	Choose the term and office plan that work for your business, and incorporate home and mobile working solutions.	Clients decide how they want to buy from Regus, based on the number of people, length of term, and services required.
	<b>Business Stability</b>	Only Regus has 45 years of industry experience and is a global, publicly traded company.	True expertise in the area of office outsourcing, consistently delivering a high-quality product that encourages clients to stay longer and re-purchase.
CUSTOMER FOCUS	<b>400,000 Satisfied Customers</b>	Only Regus has achieved a 98% satisfaction rate from its clients three years in a row.	Clients rely on Regus' expertise, friendly personnel, and high-performance systems.
	<b>Simple Process</b>	One-page contracts with simple-to-understand language and flexible terms.	No surprises — Regus clients get all the details and costs up front.
	<b>Regus Learning Institute</b>	Continual training for all team members ensures client needs are handled professionally and effectively. Around-the-clock live support from anywhere in the world.	Guaranteed levels of service with consistent quality standards worldwide.
INFRA-STRUCTURE	<b>World-Class IT and Telecom</b>	Partners with the best names in the business, including IBM and Cisco. All locations have 24/7 system monitoring and continual system upgrades as a free service to clients.	Enterprise-class, high-quality service at a fraction of the cost of a direct client purchase.
